

Northern Frontier Explorer Trip

It will be a pleasure to have you at Northern Frontier Camp this summer. We are looking forward to your arrival and have been making plans for what we hope is going to be a great time for you.

On the Explorer Trip you will experience a week of fun and challenges in rock climbing, canoeing, and mountain hiking in the Adirondacks. This is an introductory trip designed to expose you to each of these skills and enable you to achieve more than is offered in the regular in-camp Battalion program.

The schedule for the Explorer Trip will be flexible primarily due to weather and the group's desires. Rock climbing must be done in dry weather. Fishing may be a possibility on the canoe portion of the trip. Nearly all of this week will be spent out of camp.

Your group will have two counselors and up to six campers. At least one of your counselors will be certified in First Aid, CPR, and Life Guard Training.

A daily Bible exploration and informal sharing each evening around the campfire will be highlights of the day as you discover how the Bible speaks to your needs.

If you are 16 years of age or older and wish to fish on the trip, you must purchase your own NY State fishing license. Cost for a NY State resident is \$12.00 for a 7-day permit or \$25.00 for the season. Non-resident costs are \$28.00 for a 7-day permit or \$50.00 for a full season. Please purchase it before your arrival at camp.

WHAT TO BRING

hiking boots - well broken in	waterproof stuff bag (sleeping bag)	sunscreen
socks - several pair	handkerchiefs - 2 large	bathing suit
shorts - 2 pair	small Bible	sleeping bag - lightweight
